

# CLINT PRECISION MFG., INC

**PRECISION CNC MACHINING  
CERTIFIED MIG & TIG WELDING  
MIL-STANDARD ASME-AWS**

Specialists in the manufacture of high tolerance, state-of-the-art  
prototype and production products

## **High Tolerance Welding**

SMAW, GMAW, GTAW  
VACUUM CHAMBERS  
TOOLING FIXTURES  
WATERJET CUTTING  
MICRO-WELDING  
BRAZING & SILVER SOLDER  
GAS & PRESSURE FITTINGS

## **Precision CNC Machining**

TURNING / LATHE  
VERTICAL MILLING  
FIXTURES & TOOLING  
R&D  
PROTOTYPE  
SHORT & LONG PRODUCTION RUNS

## **Metal Fabrication**

COMPLETE TURN-KEY SYSTEMS & ASSEMBLY  
FRAME STRUCTURES  
CLOSE TOLERANCE WELDMENTS  
LARGE STRUCTURES  
CARTS

*Serving the Aerospace, Military, Nuclear Energy, Laser Technology, Water Purification,  
Medical, Biomedical & Semiconductor Industries since 1988*

*ISO 9001-2015 Certified. \*All welding performed conforms to standards ASME Sec.9 and MIL-STD-2219. We offer over 35 years of experience, technical expertise and excellent service at a very competitive price.*

**Certified ISO 9001:2015**

**Registered - SAM, ORCA (Certs & Reps) & WAWF**

**Clint Precision Mfg., Inc.**

7665 Formula Place, Ste. A San Diego, CA 92121

PH: (858) 271-4041 Fax: (858) 271-8936

STEEL - STAINLESS - ALUMINUM - TITANIUM - CARBON ALLOYS & PLASTICS

 USA Made 

# CLINT PRECISION MFG., INC.

## FACILITIES

### WELDING AND MACHINING DEPARTMENTS

- |   |  |
|---|--|
| 1 Miller Syncrowave 351 TIG Welders       | 1 HAAS Super VF6 SS CNC Mill<br>with Pallet Changer          |
| 1 Dynasty 400 TIG Welder                  | 1 HAAS VF4 CNC Mill<br>with 50x20x25 travel & Pallet Changer |
| 1 Dynasty 350 TIG Welder                  | 2 HAAS VF2 CNC Mills   |
| 1 Dynasty 750 TIG Welder                  | 3 HAAS Mini CNC Mills  |
| 4 MIG Welders,                            | 1 HAAS TL-1 CNC Lathe  |
| 1 Micro-Welder                            | 1 HAAS SL30 CNC Lathe<br>with server bar                     |
| 1 CNC Roller Bender                       | 2 HAAS SL-20 CNC Lathes w/ server bars                       |
| 1 CNC Tube Bender                         | 1 HAAS ST-10Y CNC Lathe (Live Tooling)<br>with Bar Feed      |
| 5 Precision Ground Welding Fixture Tables | 1 HAAS ST-20Y CNC Lathe (Live Tooling)<br>with Bar Feed      |
| 1 Four-Ton Porta Power                    |  |
| 1 100 Ton Hydraulic Press                 |  |
| 1 Tumbler – 6 cubic feet                  |  |
| 1 Sandblast Cabinet                       |  |

### FLOW I-6012 INTEGRATED FLYING BRIDGE WATERJET

*Shape cutting system with 6' x 12' cutting area*

### EPILOG LASER FUSION M2-40 LASER ENGRAVER

*40" x 28" engraving area*

### SAWS

*1 - Programmable Automatic Horizontal-10x10, 1- Cold Saw, 1-Miter Bandsaw*

### COMPLETE INSPECTION DEPARTMENT

*Mituyoyo – B710 Coordinate Measure Machine*

*In our continuous effort to improve and expand our services and capabilities, this list is subject to change.*

**Certified ISO 9001:2015**

**Registered – SAM, ORCA (Certs & Reps), DDTC & WAWF**
